

### STRATEGIC DIALOGUE TO ENHANCE TRADE WITH KYRGYZSTAN

Jabbar Rahim Khan, CEO of Synercon and Chairman/Convenor of the Export Committee, along with Jawad Rehman, President of the Business Association for Cooperation with Pakistan (BACP), engaged in a strategic dialogue with Mr. Ruslan, head of the Kyrgyzstan Export Department. During their meeting, they exchanged valuable ideas and insights on enhancing trade between Pakistan and Kyrgyzstan. Mr. Ruslan expressed keen interest in Pakistani products, and both leaders agreed to collaborate on increasing trade between the two countries. They also discussed the framework for a Memorandum of Understanding (MOU) on bilateral trade, which will be pursued after seeking approval from their respective governments prior to signing.

### SUCCESSFUL COMPLETION OF TOPOGRAPHIC SURVEYS FOR KPHCIP-H

Synercon Engineering, in collaboration with G3 Engineering, has successfully completed topographic surveys in Swabi, Haripur, Peshawar, and Nowshera for the Khyber Pakhtunkhwa Human Capital Investment Project - Health (KPHCIP-H), funded by the World Bank. By utilizing advanced surveying technology, we are dedicated to providing precise data that facilitates the successful implementation of essential infrastructure projects. This data is vital not only for construction but also for improving disaster risk management and promoting sustainable development in these regions.

## FOCUS GROUP DISCUSSIONS FOR HEALTH FACILITY RENOVATION PROJECT

Synercon Engineering recently conducted Focus Group Discussions (FGDs) in Peshawar, Nowshera, and Haripur, engaging both female and male participants. In Peshawar, 7 women and 6 men shared insights on Water, Sanitation, and Hygiene (WASH), medical equipment, and gender issues related to health facilities. In Nowshera, female discussions led by Architect Najma Bibi involved 7 women, while Engr. Sulaiman Khan moderated a session with 6 men. Similarly, in Haripur, female FGDs engaged participants in critical discussions, and male FGDs, also led by Engr. Sulaiman Khan, included 9 participants. This initiative supports our project for the Design & Supervision of 85 Health Facilities in Four Districts of KP, funded by the World Bank, in partnership with KPHCIP and G-3 Engineering Consultant Pvt. Ltd. We are committed to fostering positive change in our communities.

## STRENGTHENING TRADE TIES THROUGH THE TRUCK VOILA VENTURE

Jabbar Rahim Khan (CEO of Synercon), along with Jawad Rehman, President of the Business Association for Cooperation with Pakistan (BACP), held a productive meeting with Arthur Lee, Vice President of the Import Export Association in Russia. The discussion focused on the upcoming Truck Voila venture of Synercon Group, aimed at connecting the warm waters of the Arabian Sea to the high mountains of Russia. Both parties expressed great enthusiasm for the initiative and agreed to collaborate on Truck Voila, recognizing its potential benefits for Russian importers and exporters. Mr. Khan, as the Convenor/Chairman of the Export Committee of FPCCI, emphasized the importance of increasing bilateral trade with Russia. Mr. Arthur shared this sentiment, expressing excitement about the ever-growing trade relationship between Pakistan and Russia.
